

Today's Family EarlyON Child and Family Centres Virtual Program Descriptions

Bedtime Story Time (all ages)

Families are welcome to join us for this interactive session of singing songs and sharing stories and we end our day and say good night.

Canciones y cuentos en español (todas las edades)

Invitamos a todos a que se unan a nuestra sesión interactiva para cantar canciones y compartir cuentos en español.

Coffee and Connect (Parents/Caregivers of children 0 – 6 years)

Join us for a relaxing time to connect with other parents and caregivers. An opportunity to ask questions about child development, community, public health, etc and share ideas. Our EarlyON Educators will be available to welcome you, provide answers and direct you to resources. Come join us!

Explore Science and Nature (all ages)

Join us and together we will explore, discover and learn about science and nature through interactive activities.

Grab and Go (all ages)

Register to pick up your pre-registered package of materials needed to participate, engage and explore with us. (We can also provide list of items required to participate if you are not able to leave your home)

Have a Ball (all ages)

An active program for parents/caregivers and their children focusing on songs, stories and activities that enhance children's gross motor skills.

Infant Massage (newborn to pre-crawling)

The certified Infant Massage Instructor will facilitate a five-week program designed to teach parents and caregivers of infants a warm, nurturing, bonding experience through touch.

Mother Goose (all ages)

An interactive, research based multi-week program for parents, caregiver, and their children focusing on the pleasure and power of rhymes, songs and stories together.

Mother Goose (Babies 0 – 18 months)

An interactive, research based multi-week program for parents, caregiver, with babies newborn to 18 months focusing on the pleasure and power of rhymes, songs and stories together.

Move and Groove (all ages)

A parent-children interactive program. Children will express their creativity while actively participating through music and movement.

Today's Family EarlyON Child and Family Centres Virtual Program Descriptions

Multicultural Story Time (all ages)

Families are invited to join us for a story time of songs and stories in English, Spanish and French. Families are welcome to share songs in their language to enrich the experience for everyone. A wonderful opportunity to introduce your child(ren) to new languages.

Numeracy Gathering Time (preschoolers to school age)

Join us to discover the fun of learning numbers and basic math skills through activities that will help children understand the concept of math and parents/caregiver receive ideas for everyday activities.

Parent and Baby Network (newborn – 12 months)

A networking opportunity facilitated by an EarlyON Educator. A time for parents of babies (0 – 12 months) to come together to receive health and development information, share concerns and make new friends.

Parent Network (parent/caregivers of children over 1 year – 2.5 years)

A networking program facilitated by an EarlyON Educator. A time for parents of babies, toddlers and preschoolers to come together to receive health and child development information from the Educator, share concerns and make new friends. Each week there will be a topic presented and time for open discussion and questions.

Parent Network – Wellness check in with EarlyON Educator

Have specific questions regarding your child, looking for information on Mental Health, etc. that you would like to have one-on-one conversation with the EarlyON Educator who can answer questions or provide referrals to support you and your family.

Songs and Story Time (all ages)

Families are invited to join us for this interactive session of singing songs and sharing stories.
