2024 SUMMER CAMP

**Lakewood Adventure
and Extreme Camp**

Summer Day Camp at Today's Family

It is not only about where we go...it is also, what we do when we get there.

Today's Family is open for play all year round. We engage children and families with fun and innovative camp programs throughout the neighbourhoods we serve. Our programs are built around emergent curriculum following "How Does Learning Happen?" pedagogy. We believe that learning happens best through play, with engagement, expression, belonging, and well-being at the centre. Our camp programs provide opportunities for children to meet new friends, explore their communities, and have a lot of fun!

Are you thinking about joining us this summer? Learn more about our camp programs and take a look at what we have planned this summer. If you have any questions, please connect with us!

What is great, what is awesome about camp?

They are run by Today's Family. Although we do not usually toot our own horn, it is true that we are one of the leading providers of early learning and child care in Ontario with more programs than you have fingers or toes. With over 40 years' experience in play, we are a non-profit, charitable agency serving more than 4,000 children (and their parents and caregivers) in Hamilton, Halton, Haldimand-Norfolk and surrounding areas.

We explore the natural world. Our camp programs take full advantage of local parks and play spaces throughout our communities. In partnership with the children, we engage in outdoor play that helps build meaningful relationships with nature.

We explore our community. Our programs belong to the community. Throughout the week, our camp programs make connections to community spaces (e.g swimming pools and libraries), events, and partners that help to enhance opportunities for play and allow for children to build a strong sense of belonging within their neighbourhoods.

We encourage children to lead. We believe that learning happens best through play. Working in partnership with children, we invite them to express and pursue their interests. We encourage children to be curious, ask questions, and express their ideas.

We promote creative mastery. Together with Arts for All's Artasia artists, we use art throughout the summer to empower the voices, imagination, and potential of artists in our community. Learn more about the work of Arts for All here: www.artsforall.co

For summer camp, regardless of impacted week, all withdrawal requests for the summer season must be submitted in writing before June 1st.

<https://www.todaysfamily.ca/locations/>

What is a family meeting, why is this required?

To ensure success of all children in our programs, Today's Family holds Family Meetings as part of the camp registration process. This allows us to show the child and family the location where they will be attending camp, allow your family to get to know the Program Supervisor and for us to get to know your child. It helps to ensure a great transition into program! Family Meetings are in person, and may be group sessions. You can request an individual appointment, should you want to discuss your child's needs or require accommodation. Please reach out to childcare@todaysfamily.ca for more information.

Is financial assistance available?

Qualifying families may be eligible for subsidy through the Social Development and Early Childhood Services Child Care Fee Subsidy Office. For further information, please call:
