

Week 1 – December 20 to 24

Monday, December 20 Bricks of Belonging

Today is the first day of our Winter Break camp program! Children will create building blocks filled with images and words on what makes each one of them unique. The blocks will be used to create a program wide mural on belonging.

Outside, we will play a series of team building games to get to know one another.

Tuesday, December 21 Who Lived Here?

Today campers will ask who lived on the land our program is on before we did using [this map](#) and learn about the different cultures and traditions. Campers will find a way that feels personal to honor and give thanks to the land and to the people who lived there before us by sitting in nature, writing a poem or statement of gratitude.

Outside, we will collect materials to create a natural map of our playgrounds.

Wednesday, December 22 Holiday Traditions

Our programs are filled with children from so many different cultures that we want to celebrate. Today, campers will share and learn about different holiday traditions.

Outside, we will test the winter temperatures with a game of bubble freeze tag!

Thursday, December 23 Animal Tracking & Prints

Today, campers will be super sleuths utilizing magnifying glasses and field guides looking for tracks to discover what animals share our playground with us.

Once we have discovered animal tracks, campers will use clay to create their own prints.

Friday December 24 Program closed

Week 2 – December 27 to 31

Monday December 27

Program closed for the Statutory Holiday

Tuesday December 28

Program closed for the Statutory Holiday

Wednesday, December 29 Create Your Own Field Guide

Campers will explore their greenspace and take an inventory of what plants, animals, birds and insects they see. Using a notebook and various art materials campers will describe in details what they have found creating field guides for their location.

Thursday, December 30 New Year Reflections

Today, Campers will reflect on the year that has gone by and set intentions for the new year by writing letters to their future self.

We will end our time together at Winter Break Camp by throwing a New Years Countdown Party designed by the children.

Friday December 31

Program closed for the Statutory Holiday
