C.H. NORTON • BURLINGTON
COLLEGIATE • HAMILTON
G.L. ARMSTRONG • HAMILTON
R.A. RIDDELL • HAMILTON
ST. AUGUSTINE • DUNDAS

March Break '24

Monday, March 11
Welcome to Camp!

For our first day, we get to know one another. Campers will enjoy a variety of ways to learn more about one another, featuring Change Places If… where we will learn what makes us all unique and find commonalities we share. Campers will also discuss what it means to them to be a kind friend and ways to help one another. We will then create a camp mural using our newfound knowledge with a variety of art materials.

Tuesday, March 12
Community Mapping

We will be taking a walk through our neighbourhood with a paper map in hand, embracing our gifts to guide our way through our community. After an important stop at our local park and greenspace to enjoy some large group games, we will then return to create a large size mural of our specifically designed map including our favourite landmarks.

Wednesday, March 13
Maple Ice Cream

In anticipation of our maple sugar bush experience, we will create our very own maple ice cream in a bag to enjoy. Campers will investigate and discover how salt coupled with movement affects the melting point of ice.

Thursday, March 14
Bronte Creek Maple Syrup Festival

Today, our campers will be taking a chartered bus to Bronte Creek Conservation Area. We'll explore where maple syrup comes from and get a glimpse into how harvesting maple syrup has changed throughout time. We'll enjoy a horse-drawn wagon ride and a walking tour through the maple sugar bush. *Please note, this outing is weather permitting!*

Friday, March 15
Camps Got Talent and Outdoor Obstacle Course

Everyone is a star today in our camp wide talent show. Today, we are spending our last day together celebrating each other's unique talents. We will then be choosing our teams for a series of outdoor obstacles and relays.
